Join the inaugural Canby Civic Engagement Academy!

The City of Canby is excited to announce the launch of its inaugural Civic Engagement Academy, which will be held on the second Thursday of each month, from January through June 2025. The evening will begin at 5:30 PM with dinner and an opportunity for participants to network, followed by the official program from 6:00 PM - 8:00 PM. There is no cost to participate, though commitment to attend all sessions is encouraged.

The Civic Engagement Academy offers Canby residents a valuable opportunity to gain insights into the daily operations of the City of Canby, engage with fellow community members, and explore avenues for participation in City boards and committees.
