Committee Members Present: Mindy Montecucco, Cliff Ash, Bruce Parker, Mike Hemelstrand, Doug Rykken, Shannon Hale and Russ Heinemann

City Staff Present: Ryan Potter

City Council Liaison Present: None

Call to Order: 6:34 pm by Mindy

Minutes of May 28, 2019 Meeting: Approved

New Business:

- The mayor has requested that citizen advisory committees do not overburden city staff with work requests because there has been a lot of turnover and the newly hired people need time to get up to speed.
- The retired senior planning position has not been filled.

Old Business:

- I-205/Abernathy Bridge Project Bill – Bruce said it died in committee.
- Sidewalks/LID (Local Improvement District) – Inventory of sidewalk gaps is recommended. Using an LID is a way to get sidewalks built.
- Policy Makers Ride – Mindy said it started at Oaks Park; they rode on the Trolley Trail, had lunch at Willamette Falls and rode across the Arch Bridge and on Highway 43 to Foothills Park in Lake Oswego.
- The date of the garage sale to support the Canby Bike Hub is not known yet.
- City employees have swept both Knights Bridge and Goods Bridge.

Safe Routes To School (SRTS):

- Doug said the final recommendations have been finalized and he presented them to the principal at Trost. He felt a dedicated staff person at the school was needed to get these recommendations implemented along with another party, such as a parent. He didn't think the principal had enough time and was looking to identify someone else at the school.

Updates From Associate Planner:

- Ryan said three plans were received for the proposed splash pad at Maple Street Park. He said one was a really amazing plan and was accepted by the city.

Adjourn: Meeting adjourned at 7:48 pm. Next meeting is 6:30 pm on August 27, 2019 at Trost Elementary Parking Lot. Riding your bike is recommended.
