City Staff Present: Calvin LeSueur

Call to Order: 6:30 pm by Mindy

Minutes of September 30th, 2020 Meeting: Approved

New Business: None

Staff Update: Calvin informed the committee of the many staff vacancies that have been filled.

Molalla Forest Road (MFR) – Subcommittee Update: The initial assessment from the site visit is that the bridge over the Molalla River likely does not need to be replaced, but that it will need to be resurfaced and new approaches constructed. While on the site visit Mitch Maggenheimer, an adjacent property owner, drove by, stopped and chatted with City staff. Mindy suggested he be invited to participate on the Stakeholder Advisory Committee. Calvin will extend the invitation to Mitch. All adjacent property owners and community members will be invited to provide input during the online open house in December. A potential nature trail near the bridge over the Molalla River was discussed. Mindy discussed potential use of the MFR by equestrians. The washout section of the MFR north of the bridge might be the most expensive part of the project. Trailhead parking was discussed. A potential land purchase from the Canby Gun Club could provide trailhead parking. Elisha Road was identified as a potential access point to the MFR and a site for parking.

Adjourn: Meeting adjourned at 7:19 pm. Next meeting is 6:30 pm on November 24, 2020.
