Staff: Jamie Stickel

Guests Ron Burn (Landmarks and Heritage Committee)

Approval of Minutes: Minutes for October 12, 2021 accepted as written

New business : none

Old business: Jamie said south Ivy improvements should start Jan. 2022, NPS management assistance will be delayed for now. Jamie will keep in contact with Dan Miller in January 2022. Discussed reviewing Logging road connection to Fred Meyer or 99E recommendations in City TSP.

Discussed Logging road user congestion and lack of restrooms voiced regularly as concerns by citizens to BikePed committee members.

Sidewalks: Cliff informed committee SRTS applies to two mile perimeter around schools. Cliff asked who applies for grant funding, City or schools? Mindy shared City applies for funds but schools and parents often identify the need. Members agreed a BikePed committee member involved with the school district, the BikePed committee and SRTS was very helpful in the past and should be sought in the future. Bruce suggested members identify hot spots in SRTS zones and follow up at future meetings.
