New Business

Mindy received items from Clackamas and will send out to the group to see if we should post to our social media

Molalla River Watch - Annual cleanup April 22nd. Sign up on website. Bruce posted on Logging Road Facebook page.

Bruce suggested we do a cleanup on the Logging Road. Emma will check to see what we need to do in order to have liability insurance for the event.

Staff and Council Update

Comprehensive plan starting Thursday. Mindy is the liaison from Bike & Pedestrian committee.

Public works put in work order to update signage with correct numbers on intersection.

Cliff updated group on Locust improvements, sidewalk

Traverso Trail / National Park Service - status update, next step is to walk the property with city staff when rain stops.

Hot Spots - none

Outreach

Brit said that we have had new posts on social media. Brit talked to Bridging Cultures about Hispanic outreach. They do not use the trail very much. They would be interested in an invent.

Clackamas County Update - Bruce

Vision Zero. Bike crashes peak 3-6 pm Pedestrian 6-9 pm

I205 Toll Project - ODOT says it will not increase stress levels of cyclists & pedestrians according to the data ODOT is looking at. With 25% increase in traffic Bruce is sure it will cause increase in stress for cyclists and pedestrians. A paper with improvements to intersections on 99 was passed around for review. The county is taking I205 tolling until April 26th.

Hot Spot letter written regarding hwy 213 to ODOT

A letter was discussed and approved to send a letter to ODOT on behalf of the committee regarding the negative impact to Canby by the I205 tolling. Mindy will write the letter about the increase in traffic for Canby in general. She will specifically name streets like Birch, Holly and Territorial that are affected.

Parks and Recreation report - Bruce

Oregon Youth Soccer looking for fields

Dog Park - This item has gone back out to look at other locations.
