Re: Donation to the Canby Library Project

Dear Friends of the Library:

The members of the Canby Rotary Foundation are pleased to announce a donation to the new Canby Library totaling \$30,000. Since being established in 1979, the Rotary Club of Canby has been deeply committed to supporting this community in a wide variety of ways. One of our current areas of focus is promoting literacy and we have been working with the Canby School District on programs to support reading at the elementary grade levels. The new library project fits well with our current literacy programs and we are pleased to be a part of assisting in its completion.

This donation is comprised of individual member contributions made to the Foundation specifically for the library project as well as an additional \$20,000 from the Foundation. When donations to the library are recognized, we request that the individual donors receive recognition as well as the Canby Rotary Foundation. Following is a list of the donors and their donation amount:

|                          |         |
|--------------------------|---------|
| Cutsforth Properties     | \$4,000 |
| Stephanie & Roger Reif   | \$2,000 |
| Denise & Charlie Stinson | \$1,200 |
| Suzie & Chris Stutes     | \$600   |
| Keith & Jan Galitz       | \$500   |
| Kathleen Jordan          | \$500   |
| Kahut Waste Services     | \$500   |
| Burt & Judi Aus          | \$200   |
| Tripp Godall             | \$200   |
| Tony & Pam Helbling      | \$200   |
| Karen & Craig Johnson    | \$100   |

We request that the donated funds be designated for use on improvements to the Teen area within the library. In this way we are continuing our support of childhood literacy in the Canby community which is so critically needed.

Summer is the time when most of our fundraising activities take place, so to facilitate our cash flow we are providing a check for \$15,000 now and will pay the remaining balance of \$15,000 by September 15.

We want to thank the Friends of the Library for working with us on this very important project in the heart of Canby. We are honored to provide our support and look forward to its successful completion later this year.

Sincerely,
