Issue: Request for Noise Variance

Synopsis: A request has been received from ODOT for a noise variance on June 16, 2015 through October 29, 2015 from 7:00 p.m. – 6:00 a.m. The variance is being requested for paving/construction of OR 99E at Berg Parkway south to the city limits. The entire paving project will run from the Berg Parkway intersection to just north of 2nd Street in Aurora.

Per Canby Municipal Code Section 9.48.050B, at least 10 days prior to the public hearing a notice was mailed to property owners within 200' of the location of the variance, published in the Canby Herald, and posted in various locations around the City. Section 9.48.050B allows the Council to approve a variance after certain criteria which would apply to the facts of the requested variance are considered by the Council. In granting a variance, the Council shall consider:

- a. The protection of health, safety and welfare of citizens as well as the feasibility and cost of noise abatement;
- b. The surrounding type of existing land uses;
- c. The acoustical nature of the sound emitted; and
- d. Whether variance from the provision would produce a benefit to the public.

If, after review of the evidence submitted by the applicant and hearing any testimony from the public, the Council chooses to allow the variance as requested, a motion to grant the variance would be appropriate.

Recommendation: Staff recommends Council approve the Noise Variance Application.

Motion: *I move to grant a Noise Variance to ODOT June 16, 2015 through October 29, 2015 from 7:00 p.m. – 6:00 a.m. for paving/construction of OR 99E at Berg Parkway south to the city limits.*

The purpose of this hearing is to consider the granting of a Noise Variance to ODOT for paving/construction of OR 99E for that section of highway that lies within the city limits of Canby from June 16, 2015 – October 29, 2015. Paving Project starting summer 2015

Oregon Department of Transportation (ODOT) is working on a project to repave OR 99E (Pacific Highway East) from SW Berg Parkway in Canby to just north of 2nd Street in Aurora. The project will also do some bridge work, sidewalk ramp changes and safety striping near Lone Elder Road. ODOT anticipates that final plans will be completed in January 2015 and construction will start in summer 2015.

Details include:

- **Paving**

- The project will remove the existing pavement and install new pavement throughout the entire area.
- Work will take place at night to minimize impacts to local businesses, residents and travelers.

- **Sidewalk ramps**

- The intersections at OR 99E and Berg Parkway, Barlow Road and 1st Street (in Aurora) will be updated to be compliant with ADA (Americans with Disabilities Act) standards.

- **Bridge repair**

- The bridges over the Pudding River will have joints repaired and waterproofing material installed before being repaved to extend the life of the bridges.

- **Safety striping changes**

- Residents have expressed concern about the safety of the roadway striping on OR 99E north of Lone Elder Road, where it switches from three to two lanes with a middle turn lane.
- To address these concerns, the project will extend the middle turn lane 50 feet by removing one of the two northbound travel lanes; there will not be any road widening. This will make it safer for motorists accessing businesses and residences in this area.

MEMORANDUM

TO: *Honorable Mayor Hodson and City Council*
FROM: *Julie Wehling, Transit Director*
DATE: *1/19/15*
THROUGH: *Richard Robinson, City Administrator*

Issue: **Resolution 1208 is an amendment to Resolution 790 which is the Transit Advisory Committee's establishing resolution**

Synopsis:

Transit Advisory Committee members serve overlapping three year terms that run through the month of March. It has been the practice for a number of years now to select the chairperson and vice-chairperson in the spring (usually in March or April) in order to be assured that those selected will remain on the committee for at least one year.

In recent memory, all secretarial tasks have been performed by Transit Department staff according to state requirements and the committee has not selected a secretary for the committee.

Currently Section 3 C of Resolution 790 reads as follows:

“C. Officers: At the first meeting of each year, the committee shall select a chairperson, vice-chairperson and a secretary who shall serve for a term of one (1) year. It shall be the duty of the secretary to send all notices of the meetings: keep and preserve minutes, have custody and keep all document and papers while with said committee and perform such other duties as may be prescribed by said committee.”

Recommendation:

*Staff recommends that Section 3 C of Resolution 790 be amended to read as follows:
At the April meeting each year, or the first meeting thereafter, the committee shall select a chairperson and vice-chairperson who shall serve for a term of one (1) year.*

Rationale:

Revising the language in Section 3 C of Resolution 790 will require chairperson and vice-chairperson selection at a time consistent with membership terms; thereby improving efficiencies. It will also eliminate any reference to a secretary or secretary duties which are actually performed by City staff.

Fiscal Impact: none

Recommended

Motion: I move to adopt Resolution 1208, **A RESOLUTION AMENDING RESOLUTION NO. 790 REGARDING THE OFFICERS OF THE CANBY TRANSIT ADVISORY COMMITTEE.**

WHEREAS, terms for members currently run through the month of March making it appropriate for the committee to select officers annually at the April Transit Advisory Committee; and

WHEREAS, the duties of the secretary are performed by staff and record keeping requirements are prescribed by State Law thus they do not need be listed in the resolution.

NOW, THEREFORE, IT IS HEREBY RESOLVED by the Canby City Council, as follows:

Section 1. Section 3 C of Resolution No 790 is amended to read as follows:
