 - Discussion NW Elm and 3rd St.
 - Discussion – need for yellow “no parking” sign/zone – intersection of NE 3rd Ave and N. Knotts

6. New Business:
 - Discuss the following concerns brought up by a member:
 - The truck route signs on S Ivy should be improved to "Truck route next right" just before SE 2nd Ave instead of just an arrow. Trucks have still been going to 99E to make the right turn and have crashed into the light post multiple times and I think a bigger sign saying "Truck route next right" would work better as the existing sign said truck route with an arrow.

There is no parking signs on NE 3rd Ave just east of N Locust on the north side of the street. There is old white parking stalls still partially painted in the no parking area, causing people to still park there. I think this could be resolved by removing the old faded paint for the old parking stalls.

Lastly, we spoke about having some type of way to report to the media about traffic concerns other than what we already do.
