CANBY URBAN RENEWAL AGENCY MEETING MINUTES July 17, 2024

PRESIDING: Chair Traci Hensley

COMMISSIONERS PRESENT: Herman Maldonado, James Davis, Daniel Stearns, Scott

Sasse, and Brian Hodson (attended virtually).

COMMISSIONERS ABSENT: Jason Padden

STAFF PRESENT: Eileen Stein, Agency Director; Teresa Ridgley, Deputy City Recorder; Jamie Stickel, Economic Development Director/Communications Specialist; Tyler Nizer, Economic Development and Tourism Coordinator.

CALL TO ORDER: Chair Hensley called the meeting to order at 6:58pm.

CITIZEN INPUT AND COMMUNITY ANNOUNCEMENTS: None

CONSENT AGENDA: **Commissioner Maldonado moved to approve the consent agenda which included minutes from the June 5, 2024, and June 19, 2024, URA Meetings. Motion seconded by Commissioner Davis and passed 6-0.

NEW BUSINESS: Tyler Nizer, Economic Development and Tourism Coordinator, presented an application for the Façade Improvement Grant for Le Nest located at 151 NW Third Avenue for up to \$25,000. He presented pictures of the current building and a rendition of what it would look like after renovations. The Façade Program partners with property owners and businesses to make improvements to the exterior of buildings clearly visible from the street. This application is unique as there are three visible sides. The program helps the Canby business district revitalize and become more inviting to tenants, customers, and residents. The program supports about three properties per year in downtown Canby and along Highway 99E. Le Nest would be a home goods store with an interior design studio including furniture, home goods, and gift items.

There was discussion about the definition of blight. Jamie Stickel, Economic Development Director/Communication, reviewed the information in the Urban Renewal Plan and did not find a definition for blight or anything quantitative in relation to a facade improvement application. There was also discussion about what was improved since this building had a back side viewable from the street. The Façade Improvement Grant covers all sides of a building that are seen from the street. It was mentioned that blight should be defined for the future. Ms. Stickel mentioned there was currently \$40,000 allocated for Façade Improvement Grants, and there was one grant already approved for \$25,000 for a different business. That applicant had not submitted receipts and had until mid-August. If they submitted receipts for \$25,000, then it only left \$15,000 available for the grant being presented tonight. Business owner, Shelley Prael, was agreeable to \$15,000 with the opportunity to return back for more if the other grantee didn't submit receipts for the entire \$25,000.

****Commissioner Stearns moved to approve a matching grant of up to \$15,000 for Le Nest under the guidelines with the Canby Façade Improvement Program to be revisited in the future for another \$10,000. Motion seconded by Commissioner Maldonado and passed 4-2.

Carol Palmer provided a Reconnaissance Level Survey, identifying properties at least 50 years old with historic integrity located in the downtown area, the fairgrounds, and south of Highway 99E. The concern is to make sure the policy reflects maintaining historic integrity of any historic properties applying Façade Improvement Grants.

**Commissioner Maldonado moved to adjourn the meeting. Motion seconded by Commissioner Davis.

ADJOURN: Chair Hensley adjourned the meeting at 7:18 pm.

URBAN RENEWAL AGENCY Staff Report

Meeting Date: 9/4/2024

To: The Honorable Chair Hensley & Urban Renewal Agency

Thru: Eileen Stein, Agency Director

From: Jamie Stickel, Economic Development Director

Scott Schlag, Finance Director

Agenda Item: Presentation of the Urban Renewal Annual Report

Goal: Promote Financial Stability

Objective: N/A

Summary

The Urban Renewal Agency is scheduled to receive a presentation from the Finance Director and Economic Development Director on the Urban Renewal Annual Report. This presentation aims to offer a comprehensive summary of the Urban Renewal funds expended up to the conclusion of the fiscal year 2024.

Background

In 1999, the City of Canby founded the Urban Renewal District, with the Mayor and City Council assuming roles within the Urban Renewal Agency (URA). The URA is responsible for determining the projects that adhere to the goals and objectives outlined in Canby's Urban Renewal Plan.

Goals and Objectives of the Canby Urban Renewal Agency:

- To diversify economic base and family wage jobs within the district.
- To maintain effective, efficient, and safe traffic system for vehicular and pedestrian users.
- To improve and retain existing businesses.
- To improve attractive visual amenities for customers and community members throughout the district.

Discussion

The Urban Renewal Agency will receive the Urban Renewal Annual Report, which will be presented by the Economic Development Director and Finance Director. The meeting will encompass a discussion on past initiatives and current projects.

URBAN RENEWAL AGENCY Staff Report

Meeting Date: 9/4/2024

To: Chair Hensley & Urban Renewal Agency

Thru: Eileen Stein, Agency Director

From: Jamie Stickel, Economic Development Director

Agenda Item: Façade Improvement Program Application – Le Nest

Goal: N/A
Objective: N/A

Summary

The City of Canby's Economic Development staff received an application for a Façade Improvement Program grant for Le Nest, 151 Northwest 3rd Avenue, for up to \$25,000. The applicant was approved for up to \$15,000 and this will be for the final \$10,000 of the total. The applicant requests funding for items outlined below:

- Paint entire building.
- New store front wood paneling with trim detailing.
- New 42" glass/wood front door with brass kick plate and handle.
- New windows installed on the left and right of alcove entrance.
- Replace existing store front windows with solid glass (no panels) windows.
- Brick trim on the front corners.
- Replace and add needed exterior lighting and possible lit blade sign.
- Store signage TBD; either painted logo between the store front windows, or possibly mounted on the metal facia above store front. Descriptive vinyl (in gold letters) will be added along the bottom of windows; "Home | Gifts | Design."
- Repair dry rot siding where applicable.
- Planning to have a painted mural on backside of building: "What if I fall? Oh but my darling, what if you fly?"
 (Along with incorporating the nest design from their logo) by Poet Erin Hanson.

Background

Since 2010, The Canby Urban Renewal Agency has funded construction grants of up to \$25,000 to encourage private investment within Canby's Urban Renewal District. The Façade Improvement Program partners with property owners and businesses to make improvements to the exterior of buildings clearly visible from the street. This partnership helps the Canby Business District revitalize and become more inviting to tenants, customers, and residents. This program has been successful in generating design improvements at approximately 3 properties per year in downtown Canby and along HWY 99E.

Discussion

Le Nest is located in downtown Canby at 151 NW 3rd Avenue. The owner of the building parted ways with the tenant who occupied the building and would like this to be the home of their business. The mission of their business is to create an inspiring shopping experience for the young at heart. This will be a Home and Gifts Retail Store with an Interior Design Studio - their presentation will include furniture, home goods and an array of gift items.

As they seek to transform the space, they have discovered dry rot damage and lots to update. In addition to repairing any dry rot, the owner will further improve the exterior of the building with a new façade and paint color. Owners of Le Nest plan to use a black tone that will complement the gold trim and other features of the exterior. The project will include upgrades to both the front and rear of the building both seen from 3rd Avenue and 2nd Avenue. The Economic Development staff has worked with the applicant so they are aware the grant can be only utilized for work started after approval from the Urban Renewal Agency.

The application is sent to the Main Street Design Committee for comments. Comments received:

"Looks beautiful! Can't wait!"
